#### **PRAYER REQUESTS**

Pray for the Van Voorst family as they adjust to all the changes taking place.

Praise God for the week of service and growth that took place in our area. The students who stayed here for SERVE were blessed with great lessons and they were a blessing through service to others. Praise God that he allowed this wonderful event to go so well.

Pray for safety and the post-SERVE transition. Pray for safety for travel for any groups who haven't made it all the way home from serve yet. Also, pray the students would be able to share what they have learned and experienced with their families and their home churches. For some SERVE ends up being a mountain top experience that makes going home feel like a valley. Ask God would bless them with the transition to their regular summer schedules.

Pray for Wednesday Night activities that teachers can be found and people from the community want to come and check out the programs that are taking place.

Pray for Ed Gesiriech (Brady Cook's dad) as his sacoma cancer is back and it has spread. He has a massive tumor on his heart and lungs. He is at home and is on Hospice. Please pray for healing and comfort during this time.

Pray for Micheal and Brandy as they care for her dad during this time. Give them strength and endurance.

Pray for Friendship Community church during this month, which is full of transition!
