PRAYER REQUESTS

Praise God for a great ministry season enjoyed by all who participated in our Family Night programs this school year.

Thank God for the openness others had to helping us spread the word about the upcoming Watoto concert. Pray that God would cause compassion and grace to multiply through the event.

We have been praying for Darrell, brother-in-law to Dave Mcfarland. Darrell's family has come through a significant situation together. We praise God for providing powerfully for their family and making it possible for them to be near their emotional supporters. But we continue to be encouraged to uphold Darrell and his family in the upcoming weeks as he adjusts to a new setting.

Karen Waddell, a relative of Renee Crabtree, suffered a couple of strokes and has a long road of recovery ahead of her. Pray that she receives the care she needs in the nursing home and that God will bless the effectiveness of the rehab process.

Doug Milner, a friend of Renee Crabtree, is waiting on a critical surgery to address significant hearing loss problems he is going through. Pray that God would give him peace in the waiting and that Doug would experience more healing than the current expectations of his doctors.

Continue to uphold individuals and families around us who are going through grief because of losses to violence, addiction, or other forms of brokenness in the lives of people they love.

We can also pray for families of the broader community by continuing to uphold the Air Guard 185th and their families in prayer. We pray for God to watch over those in service and provide for the families they have left here while they serve.

On Monday Evenings we have an additional prayer opportunity every week. If you would like to be a part of that please contact Pastor Scott or Kelly Vander Leest.
